INSTRUCTIONS: First of all, congratulations on all of your accomplishments.

This program has been awarding scholarships for more than twenty years to deserving men and women from our community. The scholarship is made possible by money derived from the Danny Oates Road Race and a generous donation from Frank W. Thompson Lodge. The Lodge is responsible for administering the scholarship program. Here are the basic instructions for completing this application:

1. **Please submit the completed application as an attachment to an email with a recent transcript from your current school (unofficial transcript obtained on-line or by some other means is acceptable), by April 1, 2020 sent to: Scholarship@fwthompson.org (preferred) or by fax to 781-930-5418.**
2. As an alternate you can mail your completed application to: Leo Kenen, 44 Loomis Street, Bedford, MA 01730 (your application will be processed faster if faxed or emailed)
3. Only submit the application and the most recent unofficial transcript.
4. Do not submit any tax forms or other private financial records.
5. You do not need to have competed in the Danny Oates Road Race or be a member of Frank W. Lodge or a Freemason to apply. Anyone anticipating attending a Community College or a traditional two- or four-year College/University in the coming academic year (September 2019-June 2020) can apply.
6. Graduating Bedford High School 2019 students are encouraged to apply.
7. All applications are reviewed by a committee who will decide whether or not to award a scholarship. Not every applicant receives a scholarship – please do not be disappointed if you do not receive an award. The committee reviews a large number of qualified applications each year.
8. You will be notified by email and letter if you are awarded a scholarship. Further instructions will be given at that time on how the scholarship check will be disbursed.
